

**STRONG
PROTECTION
FOR CABLE**

**COMPRESSION AND
IMPACT RESISTANT**

premflex
by  **Termination
Technology Ltd**

Our premium range of flexible conduit has an extensive choice of size options.

Can be used in a wide range of dynamic and static applications, as well as in commercial and industrial environments.

**All our premium
flexible conduit is:**

Square locked type
Conforms to BSEN61386
RoHS compliant

Galvanised

IP40
-100°C to +300°C

PVC galvanised

IP54
-20°C to +70°C
PVC cover, self extinguishing

LSZH galvanised

Low smoke zero halogen
IP54
-40°C to +80°C
